Dear Genoveva:

Congratulations on your firm's 10th Anniversary!

Your firm and staff have been invaluable contributors to the success of the ACE Construction Authority to date. Your firm has been involved with the project for over five years.

You and Mr. Chester Britt have actively participated in the community outreach efforts with San Gabriel Valley cities, local residents, and businesses during the environmental and construction phases of the project. We have been very pleased with your efforts and suggestions to improve community outreach efforts. We highly recommend you to other public agencies undertaking major construction projects.

Good luck in your future endeavors!

Sincerely,

Rick Richmond
Chief Executive Officer
