Dear Ms. Arellano:

I would like to congratulate you on Arellano Associates' 10th anniversary. We have thoroughly enjoyed working with your firm on the City's General Plan and Zoning Ordinance updates. Your firm has been very professional and attentive to our needs, and it is with great pleasure that we recommend your firm to any jurisdiction or organization seeking your services.

I look forward to other opportunities to work with Arellano Associates in the future. Meanwhile, we wish you and your colleagues all the best on this very special occasion.

Sincerely,
